

IGNITION

VEHICLE ELECTRONICS

A vehicle's ignition system must provide sufficient spark to the right cylinder, at the right time, thousands of times every minute. At Delphi, we understand the importance of getting things right the first time, and it is why we put more than **100 years of OE expertise** into every ignition coil we make – delivering **peak power, OE performance** and **100% satisfaction** time and time again.

OE EXPERTISE

Quality that TOP VM's trust:
BMW | Mercedes | PSA

LEADING COVERAGE

#1 OEM coverage across Europe:
87% coverage | 155M+ VIO covered

WORKSHOP SOLUTIONS

From diagnostics to tech support...
