

THERMAL SEASON HAS BEGUN!

...and it is the perfect time to place your **A/C compressor orders with Delphi.**

Choose the **Aftermarket partner** who's here to help you keep ahead, **today and tomorrow.** With over **50 years of expertise** in the industry, Delphi has a **rich heritage in A/C compressors** ...so we've got your back!

Did you know that Delphi was the first to introduce the integrated compressor in the 1950s? We were also the first to **integrate electronics, sensors, and special algorithms** into **climate control systems**, making them **smarter, faster, and better** than ever before. Today, our A/C compressor technology can still be found on **millions of vehicles worldwide.**

OE EXPERTISE

OE heritage and knowledge built into every aftermarket part

EUROPEAN COVERAGE

225M Vehicles covered in Europe

WORKSHOP SOLUTIONS

From **diagnostics to tech support...** ...We've got your back!

Remember that all our parts are available in TecDoc and the stock is ready to be shipped, so you can count on timely delivery for all your A/C compressor needs.

To take advantage of our special seasonal offers, simply reach out to your Delphi contact. Don't wait until the heat becomes unbearable – place your A/C compressor orders with Delphi today and stay cool all season long.
