

## **PHINIA Appoints Mike Harvey as Senior Sales Manager – Warehouse Distributor Strategic Accounts**

*Harvey joins PHINIA with three decades of aftermarket sales experience*

**AUBURN HILLS, Mich. – July 16, 2025** – PHINIA, a leader in premium fuel systems, electrical systems, and aftermarket solutions, has appointed Mike Harvey as its new Senior Sales Manager – Warehouse Distributor Strategic Accounts. In this role, Harvey will build and manage long-term relationships with PHINIA's key automotive and heavy-duty aftermarket clients, leveraging top brand positions established by PHINIA and its distribution partners.

Dave Illes, Director – Sales, Marketing, & Training for PHINIA, announced the hiring, noting, "We are thrilled to add an industry veteran like Mike to our growing Sales team. Mike brings an immense amount of experience to this role and will help deliver market-beating growth for our automotive and heavy-duty segments."

Before accepting his new role, Harvey spent 10 years in senior sales roles with MANN+HUMMEL, where he led sales efforts across multiple brands and market channels. Harvey also served in a variety of sales and marketing roles with AFFINIA Group and DANA Corporation.

"I'm excited to get started in my efforts to help grow PHINIA's market share by building strong customer partnerships across our key business segments," noted Harvey. "The aftermarket sector has its unique needs that will require creative solutions, and I look forward to leveraging my experience in the industry to deliver those solutions."

Harvey will be based in Charlotte, NC.

### **About PHINIA**

PHINIA is an independent, market-leading, premium solutions and components provider, with over 100 years of manufacturing expertise and industry relationships and a strong brand portfolio that includes DELPHI®, DELCO REMY® and HARTRIDGE™. With over 12,500 employees across 43 locations in 20 countries, PHINIA is headquartered in Auburn Hills, Michigan, USA.

Across commercial vehicles and industrial applications (medium-duty and heavy-duty trucks, buses and other off-highway construction, marine, agricultural and aerospace and defense), light commercial vehicles (vans and trucks) and light passenger vehicles (passenger cars, mini-vans, cross-overs and sport-utility vehicles), we develop fuel systems, electrical systems, and aftermarket solutions designed to keep combustion engines operating at peak performance, while at the same time investing in advanced technologies to unlock the potential of alternative fuels.

By providing what the market needs today to become more efficient and sustainable, while also developing innovative products and solutions to contribute to lower carbon mobility, we are the partner of choice for a diverse array of customers – powering our shared journey toward a cleaner tomorrow.
